Phone (cell)	
Email	

**Internship/ Self-Study Project Information**

Title of Project	
Estimated Start Date	
Estimated End Date	
Estimated Hours Per Week	

What is the primary topic of your study?

How does this project relate to your academic and/or career interests?

What issues/questions do you anticipate your study will address?

How will you perform your study (e.g., research data, conduct experiments, interview people, etc.)?

What resources do you anticipate looking to for information/data/assistance?

Scholars are required to generate a “deliverable” (e.g., a report, data analysis, PowerPoint presentation, video/audio recording, etc.) to explain your project . Describe a deliverable you anticipate creating.
